How to Deposit

CAPITEC BANK

Making an EFT deposit to your ZAR wallet from your Capitec account is easy. Just follow these steps:

1. Log in to your online banking or mobile banking app
2. Navigate to Payments
3. Select the Add a Capitec Bank-registered beneficiary to my list option
4. In the Look for field, type “Luno”, and then select Find
5. From the search results, select Luno (STB) and then under I want to, select Add the selected beneficiary to my list
6. On the create beneficiary screen, enter (or paste if you’ve copied it from your Luno account) your unique reference number (starting with BX) in the Luno Reference field
7. Under I want to, select Add this beneficiary to my list
8. Navigate to Payments, select “Luno” from your beneficiaries, and follow the prompts to make an EFT deposit to your ZAR wallet

Here's how
